

## RECKLESS LOVE

**Em**                    **D**                    **C**  
Before I spoke a word, You were singing over me

**Em**                    **D**                    **C**  
You have been so, so good to me

**Em**                    **D**                    **C**  
Before I took a breath, You breathed Your life in me

**Em**                    **D**                    **C**  
You have been so, so kind to me (2x)

### [Chorus]

**Em**                    **D**                    **C**                    **G**  
Oh the overwhelming, never ending, reckless love of God

**Em**                    **D**                    **C**                    **G**  
Oh, it chases me down, fights 'till I'm found, leaves the ninety nine

**Em**                    **D**                    **C**                    **G**  
I couldn't earn it I don't deserve it Still, You give yourself away

**Em**                    **D**                    **C**                    **G**  
Oh the overwhelming, never ending, reckless love of God

### [Verse 2]

**Em**                    **D**                    **C**  
When I was Your foe, still Your love fought for me

**Em**                    **D**                    **C**  
You have been so, so good to me

**Em**                    **D**                    **C**  
When I felt no worth, You paid it all for me

**Em**                    **D**                    **C**  
You have been so, so kind to me

### [Bridge] play repeatedly

**Em**                    **D**                    **C**                    **G**  
There's no shadow You won't light up, mountain You won't climb up, coming after me

**Em**                    **D**                    **C**                    **G**  
There's no wall You won't kick down, no lie You won't tear down, coming after me
